Subject: let's get together and talk about a new timeline for completing the Dewey-Burdock EJ analysis

Hello All,

Since we are all in the process of rethinking timelines, I thought maybe it would be a good opportunity to put together a proposed timeline for updating the Dewey-Burdock EJ analysis that makes sense based on the work load and propose it to our management. It looks like, except for Kimi, we are free tomorrow from 1:00 to 2:00. How about I send out an invite for us three to get together?

Thanks!

Valois
